

HOPE ON CALL

Volunteer Opportunity

We are currently seeking faithful volunteers to provide emotional and spiritual support to people who have cancer through virtual visits.

Visit Details:

- Visits will be done by phone or through Zoom, which allows you to serve from the comfort of your own home. We have procedures in place to protect each volunteer's personal information.
- Volunteer shifts are 3 hours and you can serve any day/evening of the week between 9am and 9pm Central Standard Time/Chicago.
- Each visit will last 1 hour or less.
- We provide support through listening, talking, and offering prayer. We are not counselors and do not give advice or preach.
- We show God's love by our presence and enter into spiritual conversations to the degree the person we are visiting desires that type of support.
- Spiritual support and prayers are not denomination specific.
- Confidentiality of all information learned during the visit is required.

We are looking for volunteers who:

- Desire to come alongside people who are suffering to show God's love.
- Are growing spiritually and comfortable having spiritual conversations and praying out loud for others.
- Are empathetic, good listeners, and have excellent interpersonal skills.
- Can commit to serving at least one 3 hour shift once a month for 6 months.
- Will complete a volunteer questionnaire and screening with a Phil's Friends staff member to ensure this opportunity is a good fit for everyone.
- Will complete initial training and attend quarterly volunteer meetings by Zoom with a Phil's Friends staff member and other volunteers.

If you are interested in becoming a volunteer, please complete this [questionnaire](#) and a Phil's Friends staff member will be in contact with you soon.
